Property description

Nestled between the Alps and Lake Hallwil, the "Ensemble im Park" project is being realised in the middle of the quiet residential district of "Bühl". The project with three studio houses was realised by the renowned Zurich architectural firm Blättler Dafflon. The unique design concept and the future-oriented construction method offer their residents a stylish living pleasure in idyllic surroundings. The 5.5 room detached houses score with a well thought-out living concept and a magnificent garden design that makes the heart beat faster. *(More information at <https://www.domba.ch/b/eixhk6>)*
