Property description

In a picturesque location in Obbürgen, on the romantic high plateau of the Bürgenstock, unique flats are currently being built in the "Überbauung Widen", which will delight with a generous floor plan, high-quality materials, attention to detail and a charming living ambience. The elegant, 3.5 room flat on the 1st floor with around 99 m² of living space offers, in addition to the noble materials, cleverly thought-out storage space by means of space-creating built-in cupboards. Another highlight is the open kitchen by the renowned manufacturer Orea, which presents itself in a clear, colour-coord...
